FirstLight Giving

In our effort to continuously live our FirstLight mission of "Improve Lives. Achieve Dreams", we are proud to announce our newest initiative, FirstLight Giving. Moving forward, with every funded loan-that's a mortgage, credit card, as well as an auto and personal loan too-we will donate \$1.00 to the El Pasoans Fighting Hunger Food Bank to combat food insecurity. Over the next ten years, FirstLight projects making an impact of over one million meals to local families. If you are in the market for a home improvement, auto, or any other type of loan, consider FirstLight and know that you are making a difference in the community!

This is a community-driven initiative in the spirit of what we do best...people helping people. At FirstLight, we recognize we are more than financial institution and, in this case, making a measured difference in food insecurity. Through our first month, our loans funded would impact nearly 10,000 meals.
