Over the next ten years, FirstLight projects making an impact of over one million meals to local families. If you are in the market for a home improvement, auto, or any other type of loan, consider FirstLight and know that you are making a difference in the community!</p> <p>This is a community-driven initiative in the spirit of what we do best...people helping people. At FirstLight, we recognize we are more than financial institution and, in this case, making a measured difference in food insecurity. Through our first month, our loans funded would impact nearly 10,000 meals.</p> <p>As of 9/23/21 we have funded 6,768 loans YTD!</p>
